

## 2008 *Fast RunnerZ* Corporate Team Challenge

Dear Runner,

Last year's inaugural Eugene Marathon was a huge success with almost 1500 people completing the 26.2 mile course and more than 4200 total finishers in all the races. This year Fast RunnerZ is working with the Eugene Marathon to bring you a new division of the marathon, the 2008 Fast RunnerZ Corporate Team Challenge.

The Corporate Team Challenge offers an extraordinary opportunity to add some excitement, team building, and good-natured competition to the work place while at the same time raising money for charity and promoting health and fitness to employees.

Any corporation, profit or non-profit, and all employees, full or part-time, and their families may participate. To qualify as a team, there must be a minimum of 5 runners. There is no limit to the number of runners per team. There is also no limit to the number of teams a single corporation can have. For example, if a business has 10 participants, they can form two teams, each with 5 runners, both competing for their corporation.

The top teams/businesses will be recognized in the following two categories:

1. FASTEST, determined by the total time of a team's first 4 finishers, and
2. MOST MONEY RAISED for charities.
